

CROSS WALK: Proposed Work Plan Components - Grant Program Goals and Target Populations

WORK PLAN Components	Grant Program Goals			Target Populations				
	1. Address Structural and Systems level barriers to improve rural residents' access to quality, integrated SUD and other BH Care Services	2. Improve quality and Sustainability of rural BHCS through supporting rural health care providers to offer coordinated, evidence-based, trauma-informed SUD and other BHCS	3. Improve capacity of BHC system to address rural community risk factors and social determinants of health that affect the BH of rural residents	A. Individuals at risk for SUD/OD and/or Co-occurring mental disorders	B. Individuals diagnosed with SUD/OD and/or co-occurring mental disorders	C. Individuals in treatment and/or recovery for SUD/OD and/or other co-occurring disorders	D. Their families and/or caregivers	E. Impacted community members who reside in the rural target service area
Set Foundation to Develop and Implement a County-Wide Youth Behavioral Health Framework Founded on Common Approaches, Objectives and Modalities	✓	✓	✓	✓	✓	✓	✓	✓
<p>. RELATIONSHIP DEVELOPMENT: Develop strong and lasting relationships as a foundation to partnership between School District leadership, local health care, court-related stakeholders, other relevant service providers, and community based youth-serving organizations - to meet the holistic mental health and related needs of youth.</p> <p>. FUND ASSESSMENT: Provide JCEP (4 School Districts) with funding to execute a comprehensive behavioral health services audit covering the four school districts, relevant local health care providers, court-related stakeholders, other relevant service providers, and community based youth-serving organizations represented at the Jefferson County CHIP Youth Age Band table.</p> <p>. DEVELOP / EXECUTE ACTION PLAN: Use audit results to collaboratively develop priorities and implement plan toward the goal of a cross functional community-wide approach to fill gaps in reach and knowledge that improve access to and effectiveness of whole-person youth care that meets the holistic mental health and related needs of Jefferson County's youth.</p> <p>. FUND CAPACITY WITHIN SCHOOLS. Fund School Liaison Interventionist to serve as in-building behavioral and academic specialist resources who collaborate with the school community, including the administrative team, instructional staff, support staff, and families, to support the development and implementation of a school-wide positive behavioral intervention system which supports a positive learning environment and a high level of achievement for all students.</p>

Set Foundation to Address Unstable Housing Impacts on County's Behavioral Health System	✓		✓	✓	✓	✓	✓	✓
. ASSESS AVAILABLE HOUSING DATA: Collaborate with OlyCAP to assess what housing data is available and how to functionally integrate useful data tracking into BHC's current data tracking efforts.								
. DEVELOP ANALYSIS PLAN: Develop an analysis plan to address unstable housing throughout the county and implement as appropriate.								
Set Foundation to Address Equitable Access to BH supports, Youth Extracurricular Activities and School Functions	✓		✓	✓	✓	✓	✓	✓
. IMPROVE RURAL TRANSPORTATION AGENCY CROSS ASSESSMENT AND ACTION: Create a nexus between our rural transportation agencies – school districts and Jefferson Transit - to assess, prioritize, strategize and support/execute actions to address widening gaps for equitable access.								
Expand BHC's EMS Data Collection Effort	✓			✓	✓	✓	✓	✓
. UPGRADE EMS DATA INPUT: Add the EMS Council as BHC Member and contributor to the BHC Data Subgroup to support improved approach and coherence for BHC's data collection, insight generation and action development and execution.
